

All cards must be kept.

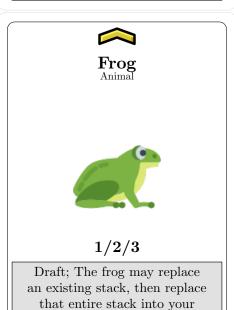

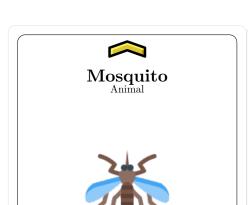

tableau as if just drafted.

0/1/2

Pre combat; Roll one die. All stacks of level 1/2/3 in the rolled column are wounded. On a 6 you choose the column.

Horse

0/1/2

Combat; Get additional 1/2/3 power for each unwounded neighbour.

Bee

2/3/4

Pre combat; You may wound the stack immediately behind this bee.

Dog

0/1/2

Combat: Gain additional 1/2/3 power for each empty space in your tableau.

${f Chocolate}_{{f Food}}$

When equipped: Tuck this chocolate under the equipped stack. Chocolate count as an animal of that type.

Honey

When wounded: You may immediately sell this stack. If you do, you may draft 1/1/2 cards from the market.

$\underset{Food}{\mathbf{Sushi}}$

The equipped stack gain 3 power.

Melon

The equipped stack gains 1 power and cannot be wounded.
